Summary

I'm Utchikanna, I'm from Tenkasi. I studied at Veerama Munivar RC HR SEC School and completed a diploma in mechanical engineering at Arulmigu Senthilandavar Polytechnic College. I worked as a CNC Machinist but switched to IT, learning HTML, CSS, and Javascript. I also learned MySQL and Java through FSSA and created a website called Cniephile. I aspire to be a software engineer, have relevant certificates, and enjoy movies and cricket. I'm known for my risk-taking and observation skills.
